

artinox[®]
LIGHTING MANUFACTURER SINCE 1977

ARTINOX

50
ANOS
1977-2027

In 2027, **artinox** celebrates 50 years of history — five decades of commitment, reinvention, and continuous innovation, constantly exploring new ways to shape light and transform design into expression.

^{PT} Em 2027, a **artinox** celebra 50 anos de história — cinco décadas de compromisso, reinvenção e inovação contínua, explorando novas formas de moldar a luz e transformar design em expressão.

^{FR} En 2027, **artinox** célébrera 50 ans d'histoire — cinq décennies d'engagement, de réinvention et d'innovation continue, imaginant sans cesse de nouvelles façons de façonner la lumière et de transformer le design en expression.

Where ***light***
takes shape

Crafted by the **artinox** family

ARTINOX

LIGHTING MANUFACTURER since 1977

Based in Águeda, Portugal, **artinox** is an indoor lighting manufacturer with its own production facilities and the full capacity to develop projects from the ground up. We operate with our own brand across the hospitality, cruise, commercial, and residential sectors.

We take pride in merging traditional know-how with contemporary design and premium quality. This synergy has established Artinox Lighting as one of the leading lighting suppliers in Europe.

PT Sediada em Águeda, Portugal, a **artinox** é uma fabricante de iluminação de interiores com produção própria e total capacidade para desenvolver projetos de raiz. Atuamos com marca própria nos setores da hotelaria, cruzeiros, espaços comerciais e residenciais.

Orgulhamo-nos de fundir o saber-fazer tradicional com o design contemporâneo e a máxima qualidade. Esta sinergia consolidou a Artinox Lighting como um dos principais fornecedores de iluminação na Europa.

FR Basée à Águeda, au Portugal, **artinox** est un fabricant d'éclairage d'intérieur disposant de son propre processus de production et d'une capacité totale à développer des projets de A à Z. Nous opérons sous notre propre marque dans les secteurs de l'hôtellerie, des croisières, ainsi que pour les espaces commerciaux et résidentiels.

Nous sommes fiers de fusionner le savoir-faire traditionnel avec un design contemporain et une qualité irréprochable. Cette synergie a fait d'Artinox Lighting l'un des principaux fournisseurs d'éclairage en Europe.

WE TRUST IN PROCESS.

ACREDITAMOS NO PROCESSO/
NOUS AVONS CONFIANCE DANS
LE PROCESSUS.

At **artinox**, we believe that every lighting piece is born from a creative process built in close collaboration with the client.

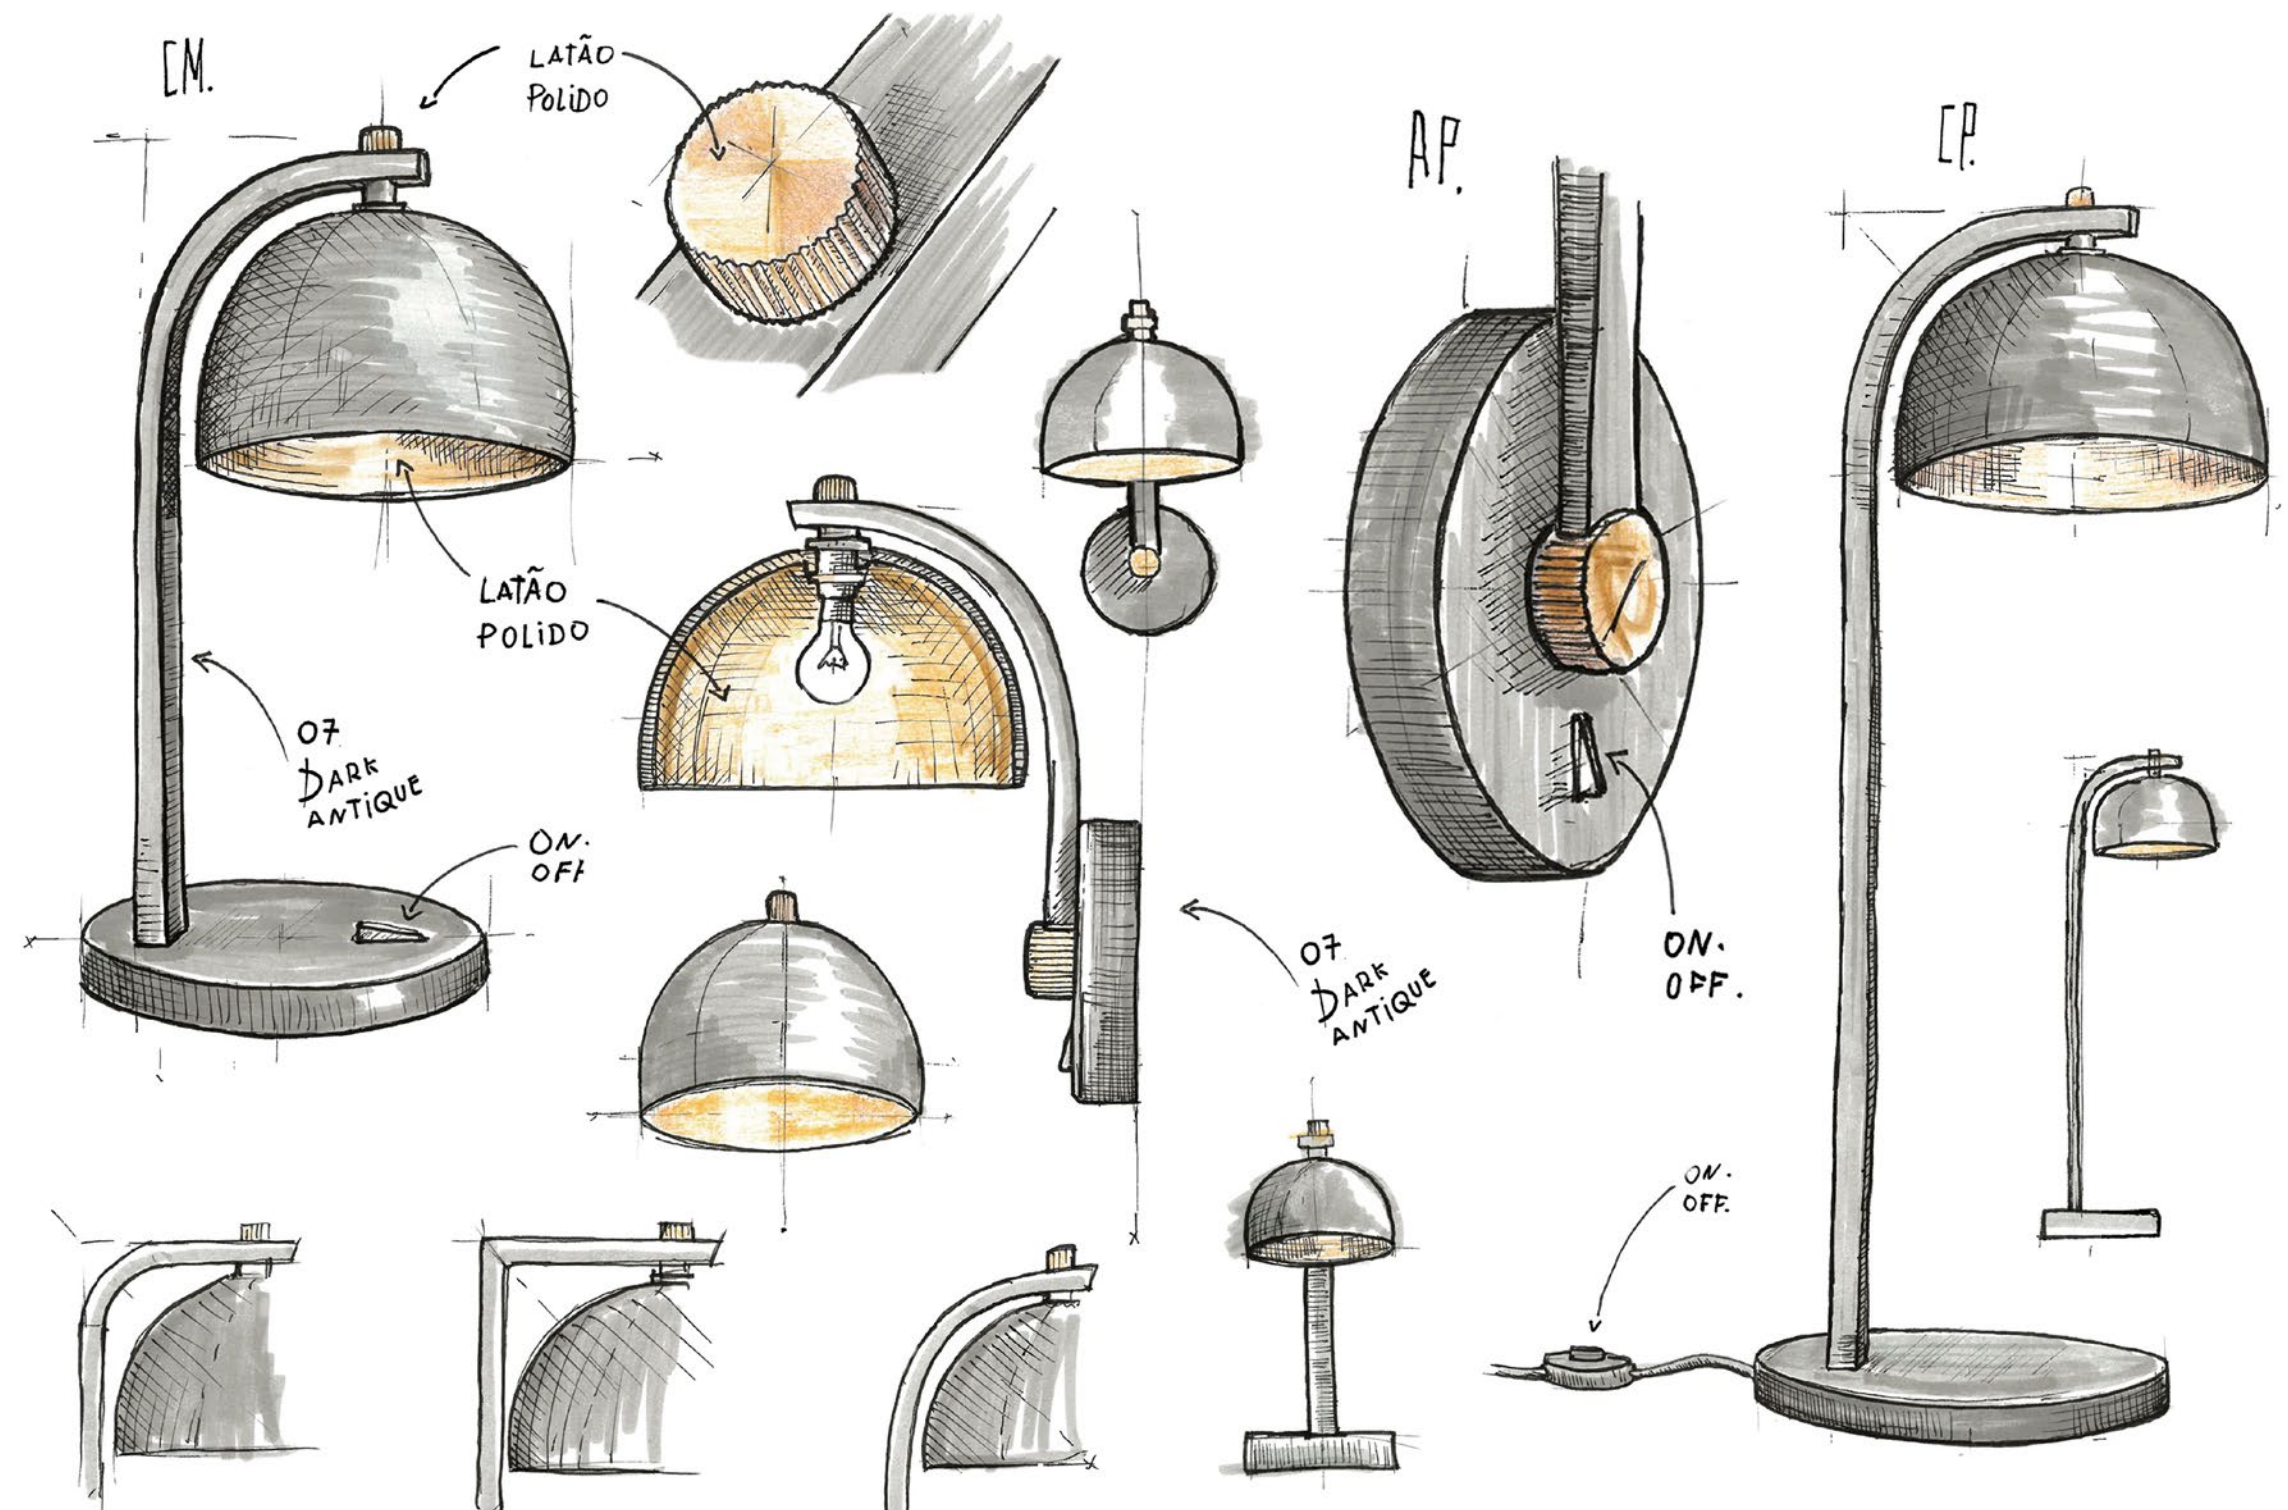

Within our design department, conceptual development is the starting point for transforming ideas, references, and requirements into unique solutions, where aesthetics, functionality, and identity come together in perfect harmony. Each drawing marks the beginning of a carefully considered journey, from the very first line to the realization of the final piece.

PT Na **artinox**, acreditamos que cada peça de iluminação nasce de um processo criativo construído em proximidade com o cliente.

No nosso departamento de design, o desenvolvimento conceptual é o ponto de partida para transformar ideias, referências e necessidades em soluções únicas, onde estética, funcionalidade e identidade se unem de forma harmoniosa. Cada desenho representa o início de um percurso pensado ao detalhe, desde a primeira linha até à concretização da peça final.

FR Chez **artinox**, nous croyons que chaque pièce d'éclairage naît d'un processus créatif développé en étroite collaboration avec le client.

Au sein de notre département de design, le développement conceptuel constitue le point de départ pour transformer idées, références et besoins en solutions uniques, où esthétique, fonctionnalité et identité s'unissent harmonieusement. Chaque dessin marque le début d'un parcours pensé dans les moindres détails, depuis le premier trait jusqu'à la réalisation de la pièce finale.

OWN MANUFACTURING

***We combine traditional
handcrafted techniques
with cutting-edge
technology to develop
sophisticatedly designed
products, all of which
are manufactured at our
factory in Portugal.***

PT Unimos técnicas artesanais tradicionais à tecnologia de ponta para desenvolver produtos de design sofisticado, inteiramente produzidos na nossa fábrica em Portugal.

FR Nous allions des techniques artisanales traditionnelles à une technologie de pointe pour créer des produits au design raffiné, tous fabriqués dans notre usine au Portugal.

OWN MANUFACTURING

PROJECTS,
PROJETOS,
PROJETS...

With dedication and specialist expertise, **artinox** creates bespoke lighting solutions and custom-made pieces, carefully adjusted to the requirements of each project.

PT Com dedicação e know-how especializado, a **artinox** cria soluções de iluminação personalizadas e peças sob medida, cuidadosamente ajustadas às exigências de cada projeto.

FR Grâce à son dévouement et à son savoir-faire spécialisé, **artinox** crée des solutions d'éclairage personnalisées et des éléments sur mesure, soigneusement adaptés aux exigences de chaque projet.

- Classe I**
Basic insulated luminaire with earth protective device (needs to be connected to the ground).
Luminária com isolamento básico com dispositivo de protecção d terra (precisa de ser ligado à rede de terra).
Lampe avec une isolation de base avec dispositif de protection de la terre (doit être mise à la terre réseau).

- Classe II**
Luminaire with reinforced or double insulation, without grounding.
Luminária com isolamento reforçado ou duplo, dispensando a ligação à terra.
Lampe avec une isolation renforcée ou double, éliminant ainsi le sol.

INGRESS PROTECTION

ÍNDICES DE PROTEÇÃO . INDICE DE PROTECTION

- IP 20

Protected against solid objects over Ø12mm, without liquids protection.
Protegido contra penetração de corpos sólidos superiores a Ø12mm e sem protecção a líquidos.
Protégé contre les corps solides supérieurs à 12mm, non protégé contre les liquides.

IP 44

Protected against solid objects over Ø1mm and against splashing water from any direction.
Protegido contra penetração de corpos sólidos superiores a Ø1mm e contra projeção de água em todas as direções.
Protégé contre la pénétration de corps solides sur Ø1mm et protégé contre les projections d'eau de toutes les directions.
- IP 40

Protected against solid objects over Ø1mm, without liquids protection.
Protegido contra penetração de corpos sólidos superiores a Ø1mm e sem protecção a líquidos.
Protégé contre les corps solides supérieurs à 1mm, non protégé contre les liquides.

IP 65

Waterlight to the penetration of dust and against spurts of water.
Estanque à penetração de poeiras e contra jatos de água.
Totalment protégé contre les poussinères. Protégé contre les jets d'eau de toutes directions à la lance.
